This is your Celebration!

Preserve your work so you can replicate it

# What did we do today?

You have the beginning of a true Service-Learning Project for your students/partners.

You can use the Investigation and Preparation you did here as a template for any Service-Learning project.,

Be sure to include Reflection in the process – particularly before you move to the Action step.

# We hope you enjoyed this session.

# Please reach out if we can help you.
